**AGENDA ITEM SUMMARY**

Meeting Date: January 18, 2006

Division: Emergency Services

Bulk Item: Yes X No     

Department: Fire Rescue

Staff Contact Person: Susan Hover

---

**AGENDA ITEM WORDING:** Approval to waive purchasing policy requiring bid process and issue a purchase order to Wheeled Coach Industries, Inc. in the amount of \$113,530.00 for the purchase of one 2006 Ford XLT F-450 Type I Ambulance by piggy-backing the Florida Sheriffs Association and Florida Association of Counties vehicle/equipment bid contract (05-06-0823) Specification #01.

---

**ITEM BACKGROUND:** During the budget process for Fiscal Year 2002, the Board approved the establishment of a capital account for the replacement of fire rescue vehicles. Ocean Reef Department of Public Safety is now due for replacement of an ambulance. Each year the Florida Fire Chiefs' Association and the Florida Association of Counties conducts a statewide competitive bid for fire & rescue vehicles. The bid sheet attached is for the type of ambulance that meets the needs of Ocean Reef. The lowest bid is Ten-8 Fire Equipment, Inc., however they only sell Pierce products which for an ambulance is Med Tec. Local municipalities using Med Tec in the past have reported quality deficiencies and an overall substandard performance. Therefore, we would like to accept the second lowest bid, Wheeled Coach Industries, Inc for a 2006 Ford XLT F-450 Type I Ambulance. The price of \$113,530.00 is derived by taking the base price bid of \$85,300.00, adding necessary options of \$38,044.00 and a contract fee of \$565.00, and then subtracting the Florida Sheriff's Association Discount of \$5,000.00 and the Ford Government Price concession of \$5,379.00.

---

**PREVIOUS RELEVANT BOCC ACTION:** The Board approved the 2005-06 budget appropriating funds for the continuation of vehicle capital replacement account.

---

**CONTRACT/AGREEMENT CHANGES:** None.

---

**STAFF RECOMMENDATIONS:** Approval.

---

**TOTAL COST:** \$113,530.00

**BUDGETED:** Yes X No
